

European Nurserystock Association

June 20, 2013

Dear President Maurizio Lapponi

It was great honor for us to be invited to the first World Roundtable on nursery problems on June 24, 25 in Italy. Thank you very much for giving us to have the great opportunity to attend this significant meeting; however, unfortunately I can't attend this meeting.

I wish that this significant meeting will be great success, delegates will do good job, and I want to be kept informed of developments.

Best Wishes from Japan,

Koichi Akatsuka

Vice President

Japan Garden Center Association.
